Article 5. Will the Town authorize the Treasurer, with the approval of the Selectmen, to hire what money may be needed in anticipation of taxes of the current year, to be paid as soon as money sufficient for the purpose is received?

VOTED: That the Town Treasurer, with the approval of the Selectmen, be and is hereby authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1934, and to issue a note or notes therefor payable within one year and to renew such note or notes as may be given for a less period than one year providing the limit of one year is not exceeded thereby. All debts incurred under this authority shall be paid from the revenue of the then current year.

Article 6. To hear the report of any committee heretofore chosen, and act thereon.

REPORT OF COMMITTEE APPOINTED TO CONSIDER THE ADVISABILITY OF PURCHASING THE GARAGE, ADJOINING BUILDING AND ADJACENT LAND BELONGING TO HEIRS OF T. FRANK KANE FOR MUNICIPAL PURPOSES.

1. Many of the town vehicles are housed in differ-

ent buildings and some are left exposed in the open.

2. The Kane property can be purchased and remodeled at a cost not to exceed $5,428.

3. After the building is remodeled, all Highway equipment, including tools, can be properly housed.

4. Therefore, we strongly urge the purchase of this property.

5. We are especially pleased to recommend the purchase of the aforesaid property as the money has been previously raised and will not increase the tax rate.

VOTED: To accept the above report.

REPORT OF SELECTMEN RELATIVE TO PROPOSED SPUR ROAD TO CONNECT NORTH MAIN STREET WITH NEW STATE ROAD

Your selectmen have, during the past eighteen or twenty months, been active in, and followed closely, the

question of construction of a connection from the new State road, to North Main Street, to furnish easy access to the center of the Town. At the outset, the matter was taken up with the Massachusetts Commissioners of Public Works in the hope and expectation that such a road could be constructed at no expense to the Town, either as to original cost, or maintenance. As a result, the project engineer of the Department of Public Works was instructed to study the situation and accordingly prepared tentative plans, covering a road leading from the new State road at a point some distance beyond the Woodside Cemetery Area to North Main Street, near the junction of Forest Avenue, and King Street. The cost was liberally estimated at a figure approximating $100,-000.

The Public Works Commission included this in its budget submitted to the Federal Emergency Finance Board, which if approved by the latter, would have resulted in its construction, the State paying 70% and the Federal Government, 30%. During this time, the Town of Scituate was also active in securing a similar spur road in its Town, and the Public Works budget included also the proposed Scituate road on the same basis.

Both projects, however, failed of approval. In the meantime, a contemplated route, through the Bancroft Bird Sanctuary in the rear of the ice pond, across the gravel pit, and coming out on North Main Street, opposite Red Gate Lane, had been advanced and supported by citizens of the Town. This latter route was considered less practical and useful, and desirable by the Department of Public Works than the first mentioned plan. This opinion was also shared in by the majority

of the Committee appointed to co-operate with the selectmen. The construction of a road without cost to the Town appearing definitely out of the question so far as both Scituate and Cohassset were concerned, the matter was taken up with the County Commissioners, with the view of ascertaining whether either route could be built under the provisions of Chapter 90, whereby the County would stand one third of the cost. The County Commissioners declined and refused to lend any assistance, however, stating that the policy had been adopted some two years past, and no Chapter 90 roads would be constructed until further change in policy, but that Cohasset would be placed No. 1 on the list for consideration if, as, and when the present policy was changed.

Notwithstanding, such positive assurance, when Scituate secured from the Plymouth County Commissioners, the approval of its spur road, under the provisions of Chapter 90, the selectmen again conferred and advised with the Norfolk County Commissioners in a further endeavor to secure equal benefits, but without success.

The County Commissioners were then requested to study the situation, and prepare plans of both routes, which it agreed to do without expense to the Town. Accordingly, elaborate plans covering the Bancroft Bird Sanctuary route have been prepared, and are in the hands of the selectmen. The Commissioners of Public Works have assured the selectmen that it would lend assistance to any such spur road to the extent of 50% of its cost, but have decidedly, and definitely, stated that in no event and under no conditions, so far as the present is concerned, would it exceed this basis. This would leave 50% of the cost to be borne by the Town, unless

the County contributed. If the Town definitely decided to assume such cost, there is a possibility that the pressure of such a vote might result in the County Commissioners' budget being extended to cover, say 25%. This is doubtful as it would open the door for criticism by other towns in the County whose similar requests in the past year or two have been likewise denied.

It would seem unquestionable that a connecting road would be a decided convenience to the inhabitants, and would relieve the traffic which now passes through Sohier and Pond Streets, which have steep grades, increasing the danger of accidents.

In the absence of definite instructions and authority by vote of the inhabitants, as to a choice of routes, and the expenditure which would be entailed by the construction of such road, the selectmen have had no alternative but to report the facts.

Respectfully submitted,

WILLIAM H. McGAW,

Chairman.

VOTED: To accept the above report.

It is hereby resolved:

That it is the sentiment of this meeting that the Selectmen are hereby instructed to petition the Massachusetts Public Works Department for a State Highway, connecting North Main Street and the New State Road Layout.

Said road to leave North Main Street in the vicinity of Red Gate Lane and intersect the New State Road where the New State Road intersects King Street.

Said layout to be as now laid out or may be laid out by the County Engineer, subject to changes over said designated route, as the following committee and the County Engineer may decide upon and that a committee consisting of the Board of Selectmen, Edwin L. Furber, Milton Kerr, Alfred Jones, Frederick Mulcahy, Hollis T. Gleason, Nicholas Simeone, William Burke, Bert M. Bristol, George Jason and William O. Souther act as a committee to cause the construction of said road for the best interest of Cohasset, both financially and otherwise and that the committee is hereby instructed not to unduly delay action in the matter and they refer their findings and recommendations to the town for action by the town if reference to the town is necessary.

VOTED: To accept the above resolution.

Article 7. To see if the Town will vote to raise and appropriate sufficient money to cover any 1933 overdrafts, including Public Welfare $3,026.67; snow and sanding streets, $3,348.54 or take any other or further action relative thereto?

VOTED: That the sum of $6,375.81 be raised and appropriated to cover overdrafts of 1933 as follows: Public Welfare $3,026.67; Highway, Snow and Sanding $3,348.54 and Assessors $.60.

Article 8. Will the Town raise and appropriate the sum of $194.16 in order to pay the following bills of

1933: Engineering, maintenance, Walter B. Foster, services $22.61; Moth Department, Edward M. Fleming, supplies, $21.55; Tree Warden Joseph E. Grassie, storage of sprayers, etc., $150.00?

VOTED: That the sum of $837.43 be raised and appropriated to cover unpaid bills of 1933 as follows: Engineering, maintenance, $22.61; Moth Department, $21.55; Tree Warden, $150.00; Soldiers' and Sailors' Relief, $14.40; Board of Health, $103.37; Highway Department, $41.70; School Department, $286.85; Moth Department, $15.30; Highway Department, $4.45; Snow, $10.-55; Public Welfare, $120.61; Forest Department $41.54; Moth Department, $4.50.

Article 9. To see if the Town will vote to accept Section 23 of Chapter 39 of the General Laws which provides in general that a town accepting the same may provide that the election of officers and the vote on the question of licenses for the sale of certain intoxicating beverages shall take place at any time within seven days before or after the annual town meeting for the transaction of other business and which election and vote shall be deemed parts of the annual town meeting; or act on anything relating thereto.

VOTED: To accept Section 23, of Chapter 39 of the General Laws.

Boston, Mass., May 11, 1934.

The foregoing by-law is hereby approved.

JOSEPH E. WARNER,

Attorney-General.

Article 10. To see if the Town will vote to amend its By-Laws by striking out Section 1 of Article 2, as it now appears and inserting, adopting and substituting in place thereof the following:

SECTION 1. The annual Town Meeting shall be held on the first Saturday of March in each year at 2 P. M.

The meeting for the election of officers shall be held on the Monday following; the polls shall be open at six o'clock A. M. and they shall remain open until six P. M., or until such further time as the meeting may vote.

VOTED: That the Town amend its By-Laws by striking out Section 1 of Article 2, as it now appears and inserting, adopting and substituting in place thereof the following:

SECTION 1. The Annual Town Meeting shall be held on the first Saturday of March at 2 P. M.

The meeting for the election of officers shall be held on the Saturday following; the polls shall be open at six o'clock A. M., and they shall remain open until 6 o'clock P. M., or until such further time as the meeting may vote.

Boston, Mass., May 11, 1934.

The foregoing by-law is hereby approved.

JOSEPH E. WARNER,

Attorney-General.

Article 11. Will the Town vote to appropriate the

sum received from the County for dog licenses for Schools, as required by Chapter 140, Section 172 of General Laws?

VOTED: That the sum of $577.66 be appropriated for Schools, being the sum received from the County for dog licenses, as required by Chapter 140, Section 172 of General Laws.

Article 12. To see if the Town will vote to accept Section 101A of Chapter 41 of the General Laws, as amended by Chapter 318 of the acts of 1933, which provides for indemnifying an officer or employee for expenses or damages incurred in the defense or settlement of a claim for bodily injuries including death, arising out of the operation of a motor or other vehicle under conditions set forth in said chapter, or act on anything relating thereto.

VOTED: In the negative.

Article 13. Will the Town raise and appropriate a sufficient sum of money to pay proper charges for effecting insurance providing indemnity for or protection to officers or employees of the town against loss by reason of liability to pay damages to others for bodily injuries or death caused by the operation of motor vehicles of the town within the scope of official duty or employment, or take any action relative thereto?

VOTED: To indefinitely postpone.

Article 14. Will the Town vote to change the municipal purpose for which the gravel pit lot (known as the Charles Bates Gravel Pit) was acquired and to use

said lot for playground, recreational or other purposes or act on anything relating thereto?

VOTED: To indefinitely postpone.

Article 15. Charles Higginson and others: To see if the Town will vote to raise and appropriate the sum of $5,000.00 for the purchase of suitable motor trucks; said purchase to be made by the Selectmen, by and with the advice and consent of the Highway Surveyor, or act on anything relating thereto.

VOTED: That the sum of $3,500.00 be raised and appropriated to purchase one 3½ Ton Truck equipped with a suitable snow plow, said purchase to be made by the Selectmen by and with the advice of the Highway Surveyor.

Article 16. Gilman Churchill and others: To see if the Town will raise and appropriate a sufficient sum of money for the installation and maintenance of a Fire Alarm Box at or near the residence of Dr. George A. Slocomb on Pond Street, or act on anything relating thereto.

VOTED: To pass over as there is a box in this locality.

Article 17. Joseph A. Valine and others: Will the Town raise and appropriate the sum of $90.00 for the installation of a curbing on the Southeast corner of Cushing Road and Oak Street, or act on anything relating thereto?

VOTED: That the sum of $90.00 be raised and appropriated under Article 17.

Article 18. Eugene C. McSweeney and others: Will the town vote to raise the wage per day for labor, in this town, to $5.00 for an eight hour day, or act on anything relating thereto?

VOTED: That the wage of labor per day be raised to $4.50 for an eight hour day.

Article 19. Marion S. Fernald, M.D., and others: Will the Town raise and appropriate the sum of $2,-850.00 for the purpose of purchasing an up-to-date ambulance; the same to be garaged and maintained by the police department, or act on anything relating thereto?

VOTED: Unanimously, that the Town of Cohasset raise and appropriate the sum of $2,850.00 for the purpose of purchasing an up-to-date ambulance, the same to be garaged and maintained by the police department.

Article 20. To see if the Town will vote to authorize its Town Accountant to close out the following unexpended balances:—Moth 1924 $1,500.00 and unaccepted check for land damage $100.00 and to transfer the same to Excess and Deficiency account or take any other or further action relative thereto?

VOTED: Unanimously that the Town Accountant be, and hereby is, authorized to transfer to Excess and Deficiency Account, the following unexpended balances: —Moth 1924 $1,500.00; unaccepted check $100.00.

Article 21. William F. Burke and others: Will the

Town raise and appropriate the sum of $2,000.00 for the construction of Tarred or Asphalt sidewalks, work to start at Elm and Brook Streets easterly, or act on anything relating thereto?

VOTED: That the sum of $2,000.00 be raised and appropriated for the purpose of constructing a tarred or asphalt sidewalk, starting at Depot Court and go easterly.

Article 22. Will the Town appropriate a sum of money equal to the interest accumulated on the Edith Bates Fund for improvements to the Town Common or take any other action relative thereto?

VOTED: Unanimously that the sum of $292.11 be appropriated for improvements to the Common, same being amount of interest accumulated on Edith Bates Fund.

Article 23. William O. Souther and others: Will the Town appoint the following committee, Henry E. Sweeney, Nathaniel Hurwitz and the Inspector of Wires to act for the Town to employ Dean Harry E. Clifford of Harvard College Engineering School, formerly Professor of Electrical Engineering at Harvard College Engineering School, to make an investigation of the Company supplying Cohasset with electric light and power, determining what is a fair price for the Town and individuals to pay for electric current used. Also to determine what kind of a contract the town should make for municipal lighting and what price should be paid for current and what is the most economic and efficient method of public lighting and that the sum of

$3,000.00 be raised and appropriated to defray the expenses of said investigation, said appropriation to be expended by above mentioned committee.

VOTED: In the negative.

Article 24. To see if the Town will raise and appropriate a sufficient sum of money for the purchase of materials and meeting of necessary expenses in connection with Federal Civil Works and/or Federal Civil Service projects to enable the Town to take fullest advantage of the National Industrial Recovery Act; ratify and approve action taken by its officials with respect thereto or take any other or further action relative thereto.

VOTED: That the sum of $1,465.50 be raised and appropriated for purchase of materials and meeting of necessary expenses in connection with Federal Civil Works and/or Federal Civil Service projects and that all action taken by Town officials with respect thereto are hereby ratified and approved.

TO THE CITIZENS OF COHASSET

At this time we wish to extend our sincere thanks to the Townspeople for their splendid support and generous contribution to the C.W.A. Project of the house to house canvass for discarded clothing.

Over 700 pieces of clothing have been solicited and distributed to the needy in Cohasset, and about 210 pieces of new clothing, such as children's dresses, night gowns, pajamas, boy's blouses, men's shirts, sheets, pillow slips, and bed quilts were made by 7 women working on a C.W.A. Project at Legion Hall.

Largely through Miss Fanny James, our faithful District Nurse, who has an intimate knowledge of conditions existing in many of the families of our town, these articles are being dstributed.

After the C.W.A. Project is finished the Social Service League hopes to start a combined Thrift Shop, Employment Agency and Women's Exchange. We feel that such a project would be of definite benefit in our community and provide an outlet for the products and services of our towns people. We ask your co-operation and patronage to make it a success.

D. W. GILBERT,

Civil Works Administrator

and

SOCIAL SERVICE

LEAGUE OF COHASSET.

Article 25. Charles R. Jason and others: Will the Town raise and appropriate the sum of $2,500.00 for the purpose of constructing a public landing place for lobster fishermen, or act on anything relating thereto?

VOTED: That the sum of $1,000.00 be raised and appropriated to construct a public landing place for lobster fishermen, said landing place to be constructed upon property now owned by the Town.

AMENDED: That the Harbor Master and Highway Surveyor be included with the Selectmen to oversee and expend appropriation.

This amendment was voted in the affirmative.

Article 26. To see if the Town will adopt the following By-Law:

Article 19

HACKNEY CARRIAGES

Section 1. Every Vehicle used or to be used for the conveyance of persons for hire, or used or to be used for the solicitation of persons to be conveyed for hire, within the Town of Cohasset shall be deemed to be a hackney carriage within the meaning of these rules, except a street railway car or a trackless trolley vehicle within the meaning of General Laws, Chapter 163, Section 2, or a motor vehicle commonly known as a jitney operated in the manner and for the purpose stated in General Laws, Chapter 159, Section 45.

Section 2. No person shall drive or have charge of a hackney carriage nor shall any person or corporation set up and use a hackney carriage unless licensed thereto by the Chief of Police.

Section 3. No owner or person having the care or charge of a hackney carriage shall suffer or allow any person other than a driver licensed by the Chief of Police to drive such carriage.

Section 4. The Chief of Police may grant licenses to suitable persons who are owners of such vehicles to set up and use them as hackney carriages, and to persons who are qualified as drivers and in other respects

to drive and have charge of hackney carriages. For each license issued there shall be paid a fee of one dollar. No license shall be issued or granted for a period exceeding one year. Every license shall expire on May 1st next following the date upon which by the terms of such license it becomes operative. No person shall be licensed as an owner or driver of a public hackney carriage unless he can read, write and speak the English language intelligently. Hackney carriages shall be registered at the places at which they are kept. No license shall be sold, assigned or transferred without the consent of the Chief of Police in writing, and any licensee who shall cease to be the owner or the driver of a hackney shall at once surrender his license to the Chief of Police. When a license owner changes his address or the place at which a hackney carriage owned by him is kept, or a licensed driver changes his home address, his place of employment or his employer, he shall within three days of such change notify the Chief of Police.

Section 5. Every driver or person having charge of any licensed hackney carriage shall at all times when driving or waiting for employment have with him his license, and shall also wear a badge on the left breast of his outer garment with the number of his carriage thereon in metallic figures not less than one inch in size and so exposed that it may be distinctly seen and read.

Section 6. No person having charge of a hackney carriage shall solicit business except by a motion of the hand, nor in any public way or place, except when such carriage is rightly standing upon some public stand.

Section 7. Every person having charge of a hackney carriage shall obey the directions of any police of-

ficer respecting the standing of such carriage while waiting for passengers and the route to be taken going to or from the place of standing.

Section 8. No owner, driver or other person having the care or charge of any licensed hackney carriage shall suffer the same to stop in any street, square, or other public place in the Town more than five minutes without some proper person to take care of the same, or more then twenty minutes in any case.

Section 9. Whoever violates any provision of these rules and orders shall, upon conviction thereof, forfeit and pay for each offence a fine not exceeding twenty dollars, and any licensed owner or driver who violates any provision of these rules and orders shall, in addition to said penalty, become liable to forfeit his license and be disqualified to hold a license thereafter.

VOTED: In the affirmative.

Boston, Mass., April 30, 1934.

The foregoing by-law is hereby approved.

JOSEPH E. WARNER,

Attorney-General.

Article 27. To see if the Town will vote to take any action necessary or advisable to further facilitate and expedite the James Brook Public Works Project for which application was filed with the proper authorities under the National Industrial Recovery Act.

VOTED: That the vote under Article 3 of the Warrant for Special Town Meeting, called for October

27, 1933, and adjourned until November 15, 1933, be and hereby is amended by inserting in the twelfth line thereof after the word "loan" and before the word "and" the words "from any source" and further that the Selectmen be and hereby are authorized and instructed to make formal application to the Federal Government, requesting a grant only of funds to apply on the James Brook Public Works Project, in order to facilitate the final approval of same; and that all other action heretofore taken, under any and all articles in the said Warrant for Special Town Meeting, called for October 27, 1933, including the appropriation of money be and hereby is ratified and confirmed.

Article 28. To see if the Town will raise and appropriate a sufficient sum of money to purchase necessary furniture and furnishings for Town Hall Offices, and to purchase and install adequate heating apparatus and facilities for said hall or act on anything relating thereto.

VOTED: Unanimously, that the sum of $805.00 be raised and appropriated to purchase necessary furniture and furnishings for Town Hall Offices and to purchase and install adequate heating apparatus and facilities for said hall.

Article 29. Dominick Sorrentino and others: Will the Town raise and appropriate the sum of $665.00 to remove the ledge on Cedar Street, between the barn owned by Davenport and the Cemetery or act on anything relating thereto?

VOTED: That this Article be indefinitely postponed.

Article 30. Will the Town authorize the Selectmen to acquire approximately 1,400 sq. ft. of land and buildings thereon situated on James Lane belonging to the widow, heirs or devisees of T. Frank Kane, for the housing of Town apparatus, machinery, equipment and other departmental property and re-appropriate and transfer from the remaining unexpended balance $4,-231.00 raised under Article 15 of the Warrant for Annual Meeting called for March 12, 1932, the sum of $2,-002.34 and also re-appropriate, use and transfer the unexpended balance of $1,197.66 in Town Hall fund; authorize the Town Accountant to make such transfers, or take any other or further action relative thereto.

VOTED: Unanimously, that the Selectmen be and hereby are authorized to acquire for the housing of town apparatus, machinery, equipment and other departmental property, 43,519 square feet of land with the buildings thereon, situated on James Lane, belonging to Margaret T. Kane, bounded as follows:—Westerly by land of the N. Y. N. H. & Hart. R. R. Co., lessees, 299.24 feet; northerly on James Lane 187.60 feet and southerly by land of Rose Landry 158.20 feet, as shown on a plan of land in Cohasset, Mass., dated March, 1934, Lewis W. Perkins, Town Engineer; and to meet the cost of same, that there be and hereby is re-appropriated the sum of $2,-002.34 from the unexpended balance of $4,231.00 raised under Article 15 of the Warrant for the Annual Meeting, called for March 12, 1932 and $1,197.66 from the unexpended balance in the Town Hall Fund, and further that the Town Accountant be and hereby is authorized to make transfers of said funds for said purposes and use, accordingly.

Article 31. Will the Town vote to re-appropriate

$2,228.66 or the unexpended balance remaining (after deducting other re-appropriations made therefrom, if any) of and from the appropriation made under Article 15 of the Warrant for the Annual Town Meeting called for March 12, 1932 for the remodeling, repairing, renovating and improving of the buildings to be acquired from the widow, heirs, or devisees of T. Frank Kane in order to make them suitable for the housing of the Town's equipment, apparatus, machinery and property or take any other action relative thereto?

VOTED: That the sum of $2,228.66 or the unexpended balance remaining (after deducting other re-appropriations made therefrom, if any) of and from the appropriation made under Article 15 of the Warrant for the Annual Town Meeting called for March 12, 1932 be re-appropriated for the remodeling, repairing, renovating and improving of the building acquired from the widow, heirs or devisees of T. Frank Kane to make them suitable for the housing of Town equipment, apparatus, machinery and property and said work to be done under the direction of the following committee:

Alfred W. Jones
Manuel A. Grassie
Henry E. Sweeney
Nathaniel Hurwitz
John J. Pratt
George Jason
Herbert L. Brown
Darius W. Gilbert
William H. McGaw

Article 32. Inserted at the request of the Highway Surveyor: To see if the Town will raise and appropriate sufficient money for the following purposes to be expended and supervised by the Highway Surveyor:—

(a) Construction of a suitable guard rail of wire

rope and concrete posts at Pleasant Beach on Atlantic Avenue, $300.00.

(b) Widening and reconstructing highway at corner of Atlantic Avenue near residence of Malcolm Bradley French, $800.00.

(c) Resurfacing, rebuilding and furnishing curbstone sidewalk at Summer Street, from property of Bristol to driveway of Sankey Estate, $600.00.

(d) Rebuilding and repairing Highway Bridge on Beechwood Street over Frank Bates River, so-called, including retaining wall $1,500.00.

(e) Rebuilding retaining wall and constructing guard rail on Beechwood Street from residence of one Blaisdell to Congregational Parsonage, $500.00.

(f) Constructing retaining wall and constructing guard rail on Beechwood Street opposite residence of J. W. Bates, $750.00.

(g) Rebuilding and repairing retaining wall, guard rail and sidewalk on Beechwood Street from residence of G. F. Sargent, Jr., to the residence of Demello, $800.00.

(h) Blasting ledge, widening, straightening and repairing Beechwood Street from Hingham line to property of J. W. Whitcomb, or take any other or further action relating thereto.

VOTED: That the total sum of $3,000.00 be raised and appropriated to be expended by the Highway Sur-

veyor in the following amounts and for the following purposes listed:

(a) Constructing a suitable guard rail of wire rope and concrete posts at Pleasant Beach on Atlantic Ave., $300.00.

(b) Reconstructing highway at corner Atlantic Ave., near residence of Malcolm Bradley French, $800.00.

(c) Resurfacing, rebuilding and furnishing curbstone sidewalk at Summer Street, from property of Bristol to driveway of Sankey Est., $600.00.

(e) Rebuilding retaining wall and constructing guard rail on Beechwood Street, from residence of one Elaisdell to Congregational Parsonage, $500.00.

(g) Rebuilding and repairing retaining wall guard rail and sidewalk on Beechwood Street, from residence of G. F. Sargent, Jr., to residence of Demella, $800.00.

Article 33. To see if the Town will raise and appropriate a sufficient sum of money for the purpose of furnishing and affixing street numbers to buildings within the Town or take any other or further action relating to street numbering of buildings.

VOTED: In the negative.

Article 34. To see if the Town will raise and appropriate a sufficient sum of money for the purpose of widening, altering, relocating, improving, reconstructing or making specific repairs on Border Street, between

Gulf River Bridge and Parker Avenue or take any other or further action relative thereto.

VOTED: That this matter be referred to the committee chosen to act on Spur Road, for further action and that Mr. Walter S. Kerr be added to this committee.

VOTED: That this meeting be dissolved.

Total raised and appropriated	$303,719.46
Appropriated—Dog Fund for Schools	577.66
Appropriated—From the Edith M. Bates Trust Fund for Town Common, to be used in improvement (interest to January 1, 1934)	292.11
Total appropriated, 1934	$304,589.23

QUESTION NO. 1

LAW SUBMITTED UPON REFERENDUM AFTER PASSAGE

Shall a law described as follows:—

This law amends General Laws, chapter 131, as previously amended, by repealing section 105A thereof and adding thereto three new sections, 105B, 105C, and 114A.

Section 105B provides that whoever uses any trap or other device for capture of fur bearing animals, which is not designed to kill such animal at once or to take it unhurt and which is likely to cause continued suffering to an animal caught therein, shall be fined fifty dollars, but traps or other devices for protection of prop-

erty, set not more than fifty yards from any building, cultivated plot, or enclosures used for rearing poultry or game birds, to the use of which the presence of vermin may be detrimental, are excluded from the application of this section.

Section 105C provides for the submission to the voters at a municipal election in any city or town upon petition, of the question of whether the operation of section 105B shall be suspended or if it has been already suspended, of the question whether it shall again be operative in such city or town.

Section 114A provides that the Commissioner of Conservation may suspend the operation of section 105B for a period not exceeding thirty days within any specified territory under the control of his department.

The law also provides for the submission, by the selectmen to the voters at a special town meeting in the current year, upon petition, of the question as to whether the provisions of section 105B shall be suspended in any town; and which was approved by both branches of the General Court by vote not recorded, be approved?

Yes	560
No	331
Blanks	557

To obtain a full expression of opinion, voters should vote on both of the following questions:

(a) If a voter desires to permit the sale of any and all alcoholic beverages in this city (or town) he will vote "YES" on both questions.

(b) If he desires to permit the sale of wines and malt beverages only herein, he will vote "NO" on question 1 and "YES" on question 2.

(c) If he desires to prohibit the sale of any and all alcoholic beverages herein, he will vote "NO" on both questions.

1. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

Yes	815
No	446
Blanks	187

2. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

Yes	823
No	372
Blanks	253

1. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

Yes	828
No	358
Blanks	262

2. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

Yes	621
No	491
Blanks	336

COMMONWEALTH OF MASSACHUSETTS

CONVENTION OF TOWN CLERKS

Third Plymouth Representative District

On the fifteenth day of November, A. D. 1934, the Town Clerks of Hingham, Hull and Cohasset, said Towns comprising the Third Plymouth Representative District, assembled at the office of the Town Clerk in Hingham at 2 o'clock P. M., for the purpose of examining the returns of votes given in and determining who had been elected to represent said District in the General Court, to be holden at Boston on the first Wednesday of January next, proceed to canvass said returns and found the ballots given in for the Candidates to be as follows:

	Hingham	Hull	Cohasset	Total
John Q. Knowles of Hull	2,435	937	1,257	4,629
William H. Morris, Cohasset			1	1
Blanks	417	170	190	777
Total	2,852	1,107	1,448	5,407

It appearing that John Q. Knowles of Hull has received a plurality of votes given in, a certificate of Election was issued to him.

WILLIAM L. HOWARD,
Town Clerk of Hingham
ANDREW F. POPE,
Town Clerk of Hull
WILLIAM H. MORRIS,
Town Clerk of Cohasset.

Attest:

WILLIAM H. MORRIS,
Town Clerk.

STATE RECOUNT

December 10, 1934.

In accordance with an order issued by Frederic W. Cook, Secretary of the Commonwealth, under the provisions of General Laws, chapter 54, section 135, as amended, an Official Recount of votes cast for Secretary of the Commonwealth, was held today at 7.30 P. M., by the Board of Registrars.

The envelopes were opened, the ballots were recounted and statistics were as follows:

Attest:

Board of Registrars.

VITAL STATISTICS

Record of Births, Deaths and Marriages Recorded in 1934

BIRTHS

Total number of births was one hundred one, of which fifteen were delayed returns and corrections of past years. Of the eighty-six in the year 1934, there were forty-five where the parents were residents of other towns. Of the fifty-six whose parents were residents of Cohasset twenty-six were females and thirty were males.

MARRIAGES

Total number of marriages was thirty-nine, of which twenty-one were married in Cohasset.

DEATHS

Total number of deaths was sixty-four, one of which was a delayed return. This number includes those who died in other towns and were returned here for burial. Of the forty-one who were residents of Cohasset, twenty were females and twenty-one were males.

The causes of death were as follows: Accidental, 6; Carcinoma, 5; Cerebral Hemorrhage, 5; Myocarditis, 4; Coronary Thrombosis, 4; Lobar Pneumonia, 2; Suicidal, 2; Broncho Pneumonia, 2; Arterio Sclerosis, 2; Chronic Myocarditis, 4; Instrunterim Asphyxia, 2; Lobar Pneumonia, 2; Intestinal Hemorrhage, 2; Chronic Intestinal Nephritis, 2; Surgical shock, Pneumonia, Cholelithiasis,

Adenocarcinoma, Coronary disease of heart, Rheumatic heart disease, Cancer, Cirrlosis of liver, Chronic valvular heart disease, Broncho Pneumonia, Uremia, Stillborn, Intestinal Obstruction, Apparent no cause, Chronic Nephritis, Malignant disease, Pulmonary Embolism, Acute Nephritis, Carcinoma Sigmoid, Tuberculous meningitis, and Atomy of Stomach, one each.

Parents, be sure to record the birth of your child with given name in full.

READ THE LAW!

"Parents, within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born." General Laws, Chapter 46, Section 6.

SOME OF THE MANY REASONS WHY BIRTHS SHOULD BE RECORDED

To establish identity.

To prove nationality.

To prove legitimacy.

To show when the child has a right to enter school.

To show when the child has the right to seek employment under the child labor law.

To establish the right of inheritance to property.

To establish liability to military duty, as well as exemption therefrom.

To establish the right to vote.

To qualify to hold title to, and to buy and sell real estate.

To prove the age at which the marriage contract may be entered into.

To establish the right to public office.

To make possible statistical studies of the health conditions.

Your co-operation to the end that all births may be properly recorded will be greatly appreciated.

REPORT OF STATE AUDITOR

March 6, 1934.

To the Board of Selectmen

Mr. William H. McGaw, Chairman

Cohasset, Massachusetts

Gentlemen: I submit herewith my report of an audit of the books and accounts of the town of Cohasset for the period from May 11, 1933 to December 31, 1933, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts.

TNW:CAB

Mr. Theodore N. Waddell

Director of Accounts

Department of Corporations and Taxation

State House, Boston

Sir: As directed by you, I have made an audit of

the books and accounts of the town of Cohasset for the period from May 11, 1933, the date of the previous audit, to December 31, 1933, the close of the fiscal year, and report as follows thereon:

The financial transactions of the town, as recorded on the books and records of the several departments collecting or disbursing town funds or committing bills for collection, were examined and checked for the period of the audit.

The books and accounts in the town accountant's office were examined and checked in detail. The recorded receipts were compared with the records of the several departments collecting money for the town and with the treasurer's books, while the recorded payments were checked with the selectmen's warrants and with the treasurer's books.

The appropriations and transfers, as entered in the accountant's ledger, were checked with the town clerk's records of financial votes passed at town meetings and with the records of transfers from the reserve fund authorized by the finance committee.

The accountant's ledger was analyzed and corrected, the necessary adjustments were made, a trial balance was taken off, proving the accounts to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town as of December 31, 1933. An examination of the appended balance sheet shows that the financial condition of the town is excellent.

It is recommended that the practice of appropriating in the tax levy the full sum necessary for the care of the parks and cemetery and then using the amount

of the income from the several park and cemetery funds as an estimated receipt and a deduction in fixing the tax rate, be changed so as to allow the cost of the care of a particular park or of a cemetery lot to be charged directly against the income of the specific fund left for such purpose. This procedure would more accurately conform with the terms of the trust fund bequests.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were analyzed and compared with the records in the several departments collecting money for the town, with the other sources from which money was paid into the town treasury, and with the accountant's records. The payments were compared with the selectmen's warrants authorizing the treasurer to disburse town funds and with the accountant's books.

The cash balance on February 8, 1934, was verified by an actual count of cash in the office and by a reconciliation of the bank balances with statements furnished by the banks of deposit.

The payments on account of maturing debt and interest were checked with the amounts falling due and with the cancelled securities and coupons on file. The outstanding coupons were reconciled with the balance in the coupon account as shown by a statement furnished by the bank of deposit.

The savings bank books representing the investments of the several trust funds in the custody of the town treasurer were examined and the income and disbursements were proved.

The accounts of the treasurer of the trustees of the Cohasset Free Public Library and of the treasurer of

the directors of the Paul Pratt Memorial Library were examined and checked, the income and disbursements being proved and the cash balances on January 31, 1934 and February 20, 1934, respectively, being verified by reconciling statements furnished by the banks of deposit. The investments of the several trust funds in the custody of the above officials were not personally examined at this time.

In connection with the investment of public trust funds, attention is called to the provisions of Section 54, Chapter 44, General Laws, as amended, which reads as follows:

> Trust funds, including cemetery perpetual care funds, unless otherwise provided or directed by the donor thereof, shall be placed at interest in savings banks, trust companies incorporated under the laws of the commonwealth, or national banks, or invested by cities and towns in shares of co-operative banks, or in securities which are legal investments for savings banks. This section shall not apply to Boston.

The books and accounts of the tax collector were examined and checked. The commitment lists were verified and compared with the assessors' warrants for their collection, the collections, as recorded, were checked with the payments to the treasurer, the recorded abatements were checked with the assessors' records of abatements granted, and the outstanding accounts were listed and reconciled with the accountant's ledger. A verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies

received thereto indicating that the outstanding accounts, as listed, are correct.

The tax title deeds held by the town were examined and reconciled with the accountant's, treasurer's, and collector's records.

The town clerk's records of town meetings were examined, and the appropriations and transfers voted were checked to the accountant's ledger.

The records of dog licenses and of hunting and fishing licenses issued by the town clerk were examined and checked with the payments to the treasurer and the Division of Fisheries and Game, respectively.

The assessors' computation of the 1933 tax rate was checked, and it was noted that an emergency overdraft in a highway account designated "James Brook Emergency" and authorized by the selectmen under the provisions of Section 31, Chapter 44, General Laws, prior to the determination of the 1933 tax rate, was raised by the assessors in the 1933 tax levy. It would seem, however, that there was sufficient time to call a special town meeting to determine the extent of the work to be done and to appropriate the amount to be expended.

The surety bonds filed by the several officials for the faithful performance of their duties were examined and found to be in proper form.

In addition to the departments mentioned, the books and accounts of all other departments collecting money for the town or committing bills for collection were examined and checked with the treasurer's and the accountant's records.

Appended to this report, in addition to the balance

sheet, are tables showing a reconciliation of the treasurer's and the tax collector's cash, summaries of the tax, assessment, and departmental accounts, as well as schedules showing the condition and transactions of the trust funds.

For the co-operation received from the several town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

EDWARD H. FENTON,

Chief Accountant.

PUBLIC GIFTS AND BEQUESTS

Following is a schedule of bequests and gifts of land and of funds for maintenance of public parks and schools by individuals and the Cohasset Improvement Association.

Other gifts include the Crocker Flag Staff on the Common, the Knowles Fountain at Beach Street and Atlantic Avenue, together with gifts of land adjacent to Cohasset Harbor.

These are generous acts and represent the public spirit of the individuals concerned. It is praiseworthy to provide for the future welfare of the town and such foresight may well be emulated by the living.

ABIGAIL RIPLEY—SCHOOL FUND

Dated April 4, 1853

$1,000.

NATURE OF BEQUEST:—"I give and bequeath unto the Town of Cohasset State aforesaid the sum of one thousand dollars as and for a school fund, the income of which is to be expended annually in assisting to defray the expenses of a High School in the said Town. If there should be no school supported by the town to which the term High School can be properly applied, then the income aforesaid, arising from the said one thousand dollars, shall be paid annually to any individual who shall keep a private school of such a character, not however unless said school shall have

been kept during the year, except suitable vacations"—

(Copied from Town Records Vol. 1851-1864, P. 77)

Accepted by vote of the Town at a meeting held April 4, 1853

JOHN AND AARON PRATT—GIFT OF LAND

Dated March 15, 1899

Located at Junction Doane and Church Streets, Beechwood

NATURE OF GIFT:—"In consideration of regards and welfare and happiness we have for the present and future rising generations of the Town of Cohasset, do hereby give, grant, and convey unto the said inhabitants of the Town of Cohasset and its successors forever viz. A certain lot of land in Cohasset lying between Church and Doane Streets to be used for a Public Park. To have and to hold the granted premises with all the privileges and appurtenances thereto belonging to the said Inhabitants of the Town of Cohasset and successors to their own use and behoof forever as aforesaid named."

Accepted by vote of the Town at a meeting held March 7, 1898

ROBERT CHARLES BILLINGS—FUND

Dated April 13, 1903

$8,000.

NATURE OF BEQUEST:—"To be used for the

purposes of a Public Park in the said Town of Cohasset."

Accepted by vote of the Town at a meeting held May 25, 1903

ROBERT CHARLES BILLINGS—FUND

Dated April 13, 1903

$2,000.

NATURE OF BEQUEST:—"To be used for the purpose of a Public Park in that part of the said Town of Cohasset known as Beechwood."

Accepted by vote of the Town at a meeting held May 25, 1903

JAMES W. NICHOLS—SCHOLARSHIP

Dated April 20, 1904

$2,000.

NATURE OF BEQUEST:—"To the Town of Cohasset I give two thousand dollars for the Osgood School to be expended under the direction of the School Committee."

JULIA A. FURBER—GIFT OF LAND

Dated October 8, 1904

Located at Junction Jerusalem Road and
North Main Street

NATURE OF GIFT:—"The granted premises are hereby conveyed subject to the perpetual restriction that they shall be forever kept open and unbuilt upon for the use of the public, this restriction is imposed for the benefit of the present residence estate of said Julia A. Furber lying on the opposite side of said North Main Street in said Cohasset.

And this conveyance is made and received upon the express understanding and mutual agreement that first, all the land lying in the triangular space between the three ways above mentioned, whether heretofore owned by me and hereby conveyed or not, and, that, second, all that parcel of land on the westerly side of said new way which is owned by said Town of Cohasset, shall both be forever kept open and unbuilt upon for the use of the public."

Accepted by vote of the Town at a meeting held March 7, 1904

HORACE W. WADLEIGH—GIFT OF LAND

Dated May 20, 1910

Located at Junction Jerusalem Road, Forest Ave.,
and Atlantic Avenue

NATURE OF GIFT:—"To have and to hold the granted premises, with all the privileges and appurtenances thereto belonging to the said Town of Cohasset

and its successors and assigns, to their own use and behoof forever, but upon the express condition that said granted premises, other than that portion thereof embraced in said road, shall forever be kept as and for a public park; and upon the further condition, that no structure, other than a proper wall or fence enclosing the same, shall ever be erected thereon; and upon the further condition, that said Town shall keep the granted premises in the same general condition as all other land now owned by it for park purposes; and that said Town shall pass a vote, at a legally called meeting, accepting this conveyance upon the terms herein set forth, within one year from the date hereof."

Accepted by vote of the Town at a meeting held March 6, 1911

JOSEPH N. WILLCUTT, HOWARD K. BARTOW, CHARLES H. COUSENS, TRUSTEES—

GIFT OF LAND

Dated October 1, 1913

Located at Junction Summer Street and Elm Street

NATURE OF GIFT:—"do hereby remise, release, and forever QUITCLAIM unto the said inhabitants of the Town of Cohasset a certain parcel of land situated on the westerly side of Summer Street at the corner of Elm Street. The above described premises are hereby conveyed to said Town upon the express condition that the same shall be used only as a public playground under

Section 19 of Chapter 28 of the Revised Laws of Massachusetts and Acts in amendment thereof, which shall not however prevent the placing or erecting thereon of a Guild Hall provided that no such building shall ever be erected or placed thereon within twenty feet of said Summer Street nor within twenty feet of said Elm Street. Should the said Town attempt to sell the said premises, the title thereto shall revert to the grantors herein or their heirs or assigns."

Accepted by vote of the Town at a meeting held March 10, 1913

HORACE W. WADLEIGH—LAND BEQUEST

Dated January 28, 1914

Located at Junction Jerusalem Road, Forest Ave., and Atlantic Ave.

NATURE OF BEQUEST:—"I give and devise to the said Town of Cohasset, the remainder of the lot of land called the 'Atwood Lot,' situated near the northwest corner of Jerusalem Road and Atlantic Ave., in said Cohasset, and being the adjoining land to the small triangular park, which I have already conveyed to said Town, but upon the express condition that the same shall be forever used only for park purposes, and that no building or structure of any kind shall ever be erected thereon; and on the further condition that said gift shall be accepted by said Town within one year from the date of the probate of this will."

Accepted by vote of the Town at a meeting held March 9, 1914

HORACE W. WADLEIGH—FUND

Dated January 28, 1914

$5,000.

NATURE OF BEQUEST:—"I give and bequeath to the said Town of Cohasset the sum of five thousand (5,000) dollars the same to be used for the purpose of improving and embellishing any land now owned or hereafter acquired by said Town for park purposes, and not to be used for the purchase of land."

Accepted by vote of the Town at a meeting held March 9, 1914

WHEELWRIGHT PARK—BEQUESTS OF LAND AND MAINTENANCE FUNDS

Edward Wheelwright, Isaphene M. Wheelwright, Henry A. Wheelwright

$15,000.

Dated June 29, 1916; Located in Area Between North Main Street, Bow Street and Forest Avenue

The last will of Edward Wheelwright, proved and allowed in the Suffolk Probate Court, May 31, 1900, provided:—"But if at any time after my death my said wife and my said brother shall desire to convey during their life time, or to devise by their last wills, any portion of the Cohasset real estate to the Town of Cohasset or to trustees for the purpose of creating a Public Park,

then my said wife and my said brother shall have full power and authority to make such conveyance or such devise, and my trustee hereinafter named shall relinquish any rights he may be thought to possess in the premises, as trustee, and he shall also pay out of the rest and residue of my estate in his hands, the sum of five thousand dollars to said town or to said trustees, the income thereof to be applied to the care and maintenance of said Public Park."

The last will of Isaphene M. Wheelwright, wife of Edward Wheelwright, proved and allowed by the Suffolk Probate Court, August 15, 1907, provided:—"I give and devise to the Trustees of Public Reservations of Massachusetts incorporated by the Acts of 1891 that portion of the Cohasset estate designed by my husband in conjunction with his brother for a public park, namely the lot of woodland called the "Tower lot" and also the undivided half of the Oakes lot and the pastureland known as Tippling Rock pasture and extending to Forest Avenue. I further direct my executor to pay over to the said trustees of Public Reservations the sum of five thousand dollars which with the five thousand dollars bequeathed by my husband will equal ten thousand dollars, the income of which shall only be used in keeping the Park in order. I also direct that no building except perhaps a stand for music or shed for tools shall be put on the land herein devised."

The last will of Henry A. Wheelwright, proved and allowed by the Suffolk Probate Court, July 7, 1913, provided:—"But whereas I together with my said brother and my said sister-in-law, desire that after the death

of us three, a portion of the real estate at Cohasset now belonging in part to me and in part to my said brother shall become a public park and shall be conveyed with that purpose to the Trustees of Public Reservations, if they will accept the same, I request and direct my said executor, after the death of my said brother and of my said sister-in-law, to convey to the said Trustees of Public Reservations (provided such conveyance shall not already have been made by my said brother, my said sister-in-law and myself or by the survivors or survivor of us) all such parcels of real estate now belonging to me, including my share of such parcels of real estate as I now own in common with my said brother, as may be fully agreed upon between my said brother, my said sister-in-law and myself to be given for said Public Park. And I especially include in this provision my undivided half of the Oakes Lot, so called, and my undivided half of the Tippling Rock Pasture, both of which I now own in common with my said brother, and the Bates Lot and the Pond Field, so called of which I am now sole owner.

And in case such conveyance or devise to said Trustees take place I direct my executor to take such action in the matter as may be necessary to carry out my wishes and those of my said brother and my said sister-in-law in regard to the formation of said Public Park and also to pay over to said Trustees, if they accept the gift of said parcels of real estate, the sum of five thousand dollars toward the constitution of a fund for the care and maintenance of said Park, my said brother having provided by his will for the payment of a similar sum for the same purpose. Provided, always, that the said Trustees shall agree that no buildings shall be erected

on the land thus conveyed for a Public Park except one for tools and a stand for music."

Accepted by the Town at a Meeting held May 24, 1916, *subject to the order of the Probate Court of Suffolk County.*

NOTE—The Trustees of Public Reservations to whom evidently the above land had been bequeathed declined to accept the legacy and upon petitions brought by the executors of the wills of Edward, Isaphene and Henry Wheelwright, after notice to the Attorney General and hearing thereon, the court decreed on June 29, 1916 (which decree was later modified by the court in order to improve the boundary lines) that the land could be conveyed to the Town of Cohasset and the fifteen thousand dollars paid over as a trust fund for the maintenance of the land upon the terms set forth in the respective wills.

COHASSET IMPROVEMENT ASSOCIATION—GIFT OF LAND

Dated May 7, 1923

Located at Southeasterly End of Town Common

NATURE OF GIFT:—"Grants to the inhabitants of the Town of Cohasset a body corporate in said Commonwealth, for the benefit and enjoyment of all of said inhabitants and subject to the expressed conditions that the land hereafter described shall be a part of the Town Common and that no building shall ever be erected thereon."

Accepted by vote of the Town at a meeting held March 10, 1923

EDITH M. BATES—FUND

Dated June 20, 1928

$1,500.

NATURE OF BEQUEST:—"I hereby give the Town of Cohasset fifteen hundred dollars, and I hereby direct said Town to use and employ said sum of fifteen hundred dollars and any income that may be derived therefrom, for the care and improvement of the pond situated on the common, near the Meeting House of the First Society in Cohasset, and for the improvement of said common."

Accepted by vote of the Town at a meeting held November 9, 1929

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen herewith submit their report for the year ending December 31, 1934.

The town report shows the town's financial condition, but it does not show the inability of the majority to pay higher taxes. Most of our people are under strain to pay their present bills. Every day brings demands for reductions. Any increase of our appropriation means a raise in the tax rate, therefore a bigger bill for everyone. Property values have decreased and there is but little new property to increase the town's income.

We appreciate the co-operation we have had from all departments. We fully realize the work of each is greater this year than ever before.

At this time we wish to bring to the notice of the Town the increased assistance given us by Frederick A. Thayer, our Town Counsel. This has been an unusual year and he has given of his time and advice unstintingly.

Respectfully submitted,

WILLIAM H. McGAW,
HERBERT L. BROWN,
DARIUS W. GILBERT,

Board of Selectmen of Cohasset.

REPORT OF THE ASSESSORS

The Assessors of the Town of Cohasset submit their report for 1934.

Total valuation, 1934	$10,395,331.00

Real	2,597.60	
Total		$2,874.54

Respectfully submitted,

HERBERT L. BROWN,
WILLIAM H. McGAW,
DARIUS W. GILBERT,
Assessors of Cohasset.

REPORT OF BOARD OF PUBLIC WELFARE

The necessity for relief this year has been greater than ever before.

It was deemed best to require some work done rather than giving aid without return. The course of James Brook between Willard's stable and the cove was straightened after releases from the abutters were procured.

A large amount of wood was cut on the Town's land adjoining Woodside Cemetery and has been distributed to those who needed it for fuel. The Town truck was used for the distribution.

The Cohasset Home was closed September 1st as there was only one Cohasset resident and it seemed wise to the Board to board out the few who had to be cared for.

Some vegetables and the hay were sold and forty-five bushels of potatoes were distributed.

It seems advisable that the Town vote to lease the premises.

For the financial statement of this department we refer you to the Town Accountant's report.

DARIUS W. GILBERT,
HERBERT L. BROWN,
WILLIAM H. McGAW,

Board of Public Welfare.

REPORT OF C.W.A. AND E.R.A. PROJECTS

These activities under the Federal Government were carried out by the Local Administrator and it should be understood that the Administrator is a Federal Agent and has to be governed by rules and orders from the State Administrator, of course the Town had to furnish materials under both the C.W.A. and E.R.A. but everything was strictly accounted for to the Federal Administration.

The local Administrator has had wonderful co-operation from the Town Officials and many private citizens and hereby expresses his appreciation and thanks to every one of them.

The projects which can be worked on to our advantage in winter are very few in number and it has been difficult to get money enough to work on those now in progress.

There have been many untrue statements circulated by certain people that it would have been possible for the Administrator to have procured larger sums of Federal funds for projects under E.R.A., but these statements were made through ignorance of those who made them or simply to try to injure the Administrator. Only 30% of the monthly grant could be used on the projects which are reported by these people as possibilities, and

they also would have required large amounts of money raised by taxes on Cohasset real estate, as all materials, tools and trucking must be paid by the Town.

The following tables will explain in detail the work done for the year.

DARIUS W. GILBERT,

Local E.R.A. Administrator.

SUMMARY C.W.A. ACTIVITIES — DECEMBER 1, 1933 TO MARCH 31, 1934

Project	Project Nos.	C.W.A. Funds	Town Funds under C.W.A.	Total Amount Spent	Work Done Under C.W.A. Projects	Remarks
Rebuilding Doane St.	872, 4080 and 6084-2	Labor Payroll $8,999.80 Trucking Materials $1,476.98 Total $10,476.78	$1,500.10	$11,976.88	Re-construction of 3,300 ft. of Doane St. from 15 ft. to 21 ft. including the removal of 400 cu. yds. ledge, 500 side drainage and 3 ft. shoulders on both sides of roadway. 1,200 tons gravel were placed ready for tarring.	$127.75 was spent for tools and equipment by Highway Surveyor. Bal. Town Funds left April 1st was expended under E.R.A. This project was carried over under E.R.A.
Building Offices in Town Hall	873, 4081 and 6084-1	$1,946.40	$765.23	$2,711.63	Four offices were built in the unused upper portion of Town Hall.	These offices were badly needed and are now used for the Tax Collector, E.R.A. Office, P.W.A. Office, and the Historical Society.
Tide Gates, Cove Bridge	874 and 4604	$530.40	$305.03	$835.43	2 new tide gates were constructed at the Cove to replace the unworkable ones that were there.	
South Main St. Culvert	875 and 4605	$1,931.83	$170.80	$2,102.63	Rebuilding stone culvert under So. Main St. and widening and deepening the drainage at this point.	

Cohasset Baseball Field	2015	$1,562.05	None	$1,562.05	Brush in the outfield was cut and grubbed boulders were removed from the playing field and the surrounding brush was cut and burnt.	A small amount, $200.00, of money was spent after the C.W.A. stopped for grading the outfield. This amount was granted under C.W.A. at the Town Meeting.
Cutting Brush along Roadsides and in Woodside Cem.	2016, 6084-4 and 6084-6	$2,126.50	None	$2,126.50	10 miles of roadsides were cleared of brush and burnt. 2 acres of underbrush and deadwood were cleaned out at Woodside Cemetery.	
Clearing out Cohasset Home Pasture	2017 and 6084-5	$1,167.10	None	$1,167.10	The Cohasset Home Pasture consisting of about 46 acres was mowed and brush was burnt and cleaned up.	
Stenographer Assisting Town Officials	W238 and 1013-1	$209.52	$42.00	$251.52	Stenographer assisted Town Officials in their work and established a card system for the Board of Public Welfare.	Conducted under supervision of Mrs. Sweeney, director of Women's Projects.
Women's Sewing Project at Legion Hall	W242 and 1013-2	$1,078.10	$10.16	$1,088.26	Women sewed clothes from new materials supplied by C.W.A. and also washed and mended old clothes contributed by townspeople.	Mrs. Sweeney, Supervisor. Clothes from this project were distributed to needy people by the Board of Public Welfare.

SUMMARY C.W.A. ACTIVITIES — DECEMBER 1, 1933 TO MARCH 31, 1934—Continued

Project	Project Nos.	C.W.A. Funds	Town Funds under C.W.A.	Total Amount Spent	Work Done Under C.W.A. Projects	Remarks
Cleaning Public Buildings of Cohasset	W243	$249.60	$17.22	$266.82	Three women cleaned and scrubbed Legion Hall, Central Fire Station, Town Hall, North Cohasset Fire Station and Beechwood Fire Station.	Mrs. Sweeney, Supervisor.

SUMMARY E.R.A. ACTIVITIES — APRIL 1, 1934 TO JANUARY 1, 1935

Project	Project Nos.	E.R.A. Funds	Town Funds under E.R.A.	Town Funds under Town Depts.	Total Amount Spent	Work Done Under E.R.A. Projects	Remarks
Doane St. Rebuilding	2065, B2 1 and 1A	$2,737.20	$798.40	$800.00 under Highway Surveyor	$4,335.60	Cleaning up and regrading shoulders of 3,300 ft. road after tarring by Highway Surveyor. Reconstruction of 1,000 ft. roadway to subgrade including laying culvert, drainage and removing some ledge.	Re-grading of road as completed under C.W.A. was done under direction of the Highway Surveyor. Tarring of this section was also done by the Highway Surveyor. Use of Town Truck 13 days.
Waterholes	2065, B20 2, 2A and 2 B 2065, B20 —4	$2,337.50	$31.60	$180.80 under Fire Chief	$2,549.90	Construction of 10 waterholes for the use of the Fire Dept. beyond the limits of hydrant service. These waterholes are about 12 ft. in diam. by 7 ft. deep and are stoned up and protected by a rail fence.	These projects were requested by the Fire Chief through the State Fire Marshal's office. Use of Town Truck 3 days.

SUMMARY E.R.A. ACTIVITIES — APRIL 1, 1934 TO JANUARY 1, 1935—Continued

Project	Project Nos.	E.R.A. Funds	Town Funds under E.R.A.	Town Funds under Town Depts.	Total Amount Spent	Work Done Under E.R.A. Projects	Remarks
Wheelwright Park	2065, B15 —5	$2,296.00	$184.11	None	$2,480.11	This project was started Nov. 13 and is incomplete at this time. Excavation for skating pond is under way, considerable grubbing out of briars has been done and the driveway and clearing of woods has been started.	Incomplete This project calls for a recreational center, complete with a skating pond, parking places, wood trails, fireplaces and picnic grounds.
Painting Central Fire Station	2065, B4-3	$299.50	$87.56	None	$387.06	Central Fire Station was painted outside, including necessary puttying of sash and wire brushing siding.	This project was requested by the Fire Chief and carried out under his supervision.
Administrative Clerk	S-G-2	$684.00	None	None	$684.00	Payrolls, reports and correspondence written. General clerical work done for E.R.A. Office.	This project was carried out under the supervision of Dr. D. W. Gilbert, E.R.A. Administrator for Cohasset.

Sewer & Surface Drainage Loan Account

P.W.A. Docket No. 5045

October 2, 1934 to December 31:

Received from notes sold to Tyler, Buttrick & Co.	$35,000.00
Paid Vouchers No. 1 to 19, inclusive.....	15,282.05
Balance in Second National Bank of Boston	$19,717.95

MARY P. TOWER,

Treasurer.

Serving as Assistant Disbursing Officer from November 23, 1933, to February 23, 1934, I made and distributed checks on the U. S. Treasury amounting to $15,063.01, for C.W.A. projects.

From the Commonwealth of Massachusetts, for the Federal Emergency Relief Fund, checks were received amounting to $1,314.58 for C.W.S. projects. Checks were given by me from a special Town account opened for this purpose, in the sum of $1,271.16, and the balance, $43.42, was returned to the Emergency Finance Board March 5th, 1934.

MARY P. TOWER,

Treasurer.

ELEANOR T. DOWNS,

Collector of Taxes.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Cohasset, Mass.,

January 23, 1935.

To the Honorable Board of Selectmen:

Gentlemen: My report as Sealer of Weights and Measures is as follows: The various weighing and measuring appliances in Town have been carefully tested, 415 were sealed, 58 adjusted, and 12 were condemned. The amount of $47.80 as sealing fees, and $45.00 as Transient vendors fees, was collected and paid to the Treasurer.

I have also retested several appliances, inspected hawker's and pedlar's licenses, clinical thermometers, package goods, and other commodities offered for sale.

Respectfully submitted,

LOT E. BATES,

Sealer.

REPORT OF THE TREE WARDEN

Cohasset, Massachusetts,
January 30th, 1935.

To the Citizens of Cohasset:

I herewith submit the following report.

I have to the best of my ability endeavored to fulfill the duties of my position, and believe that the work done under my supervision will meet with the approval of the majority of the taxpayers.

A careful survey of the trees along the roads and sidewalks revealed a great amount of dead-wood to be removed.

This dead-wood has been removed, thereby assuring the safety of pedestrians and motorists.

There are a number of dead trees along the main roads which will have to be removed this coming year.

Some of these trees are located near churches, where a number of cars are parked at times, and the trees unless removed create a personal injury and property damage hazard.

Careful attention has been given to clearing tree

branches from the fire alarm wires, thereby preventing trouble to that system.

I wish to thank the citizens for their co-operation and the members of all other town departments.

Respectfully submitted,

WILLIAM H. McARTHUR,

Tree Warden.

REPORT OF THE MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Having been appointed by your Honorable Board as Moth Superintendent for the past year, I herewith submit the following report.

As in previous years the work of creosoting Gypsy egg clusters was carried on during the winter and early spring; after which we started spraying for the different insect pests as they appeared; starting with the tent caterpillar, brown tail and gypsy moth lava, and continuing to some extent with the fall web worm, and in view of the financial limitations controlling this work, I believe, everything considered, the Town is in very good shape as regards such insect pests.

However, I do believe that any person owning property should watch their trees very carefully and if they should note any increase in the number of insect pests, they should report same to the Moth Superintendent at once.

I take this opportunity to thank your Honorable Board and all citizens for their help and co-operation toward this department.

Respectfully submitted,

JOSEPH E. GRASSIE,

Moth Superintendent.

REPORT OF THE BOARD OF HEALTH

January 23, 1935.

To the Citizens of Cohasset:

Regulations pertaining to health, sanitation and other duties of this Department have been rigidly adhered to. Complaints received have been investigated and where unsanitary conditions existed, the fault corrected.

The following is a list of communicable diseases reported to the Board of Health during the past year:

Chicken Pox	19
Measles	25
Mumps	10
Scarlet Fever	5
Malaria	1
Lobar Pneumonia	5
Whooping Cough	3
Dog Bite	15
Bitten by dog afflicted with Rabies	6
Hemolytic Streptococcus	4

The State Department of Public Health issued a bulletin early in 1934 warning the local Boards of Health of possible contamination of water supplies due to the thawing of excessive snow. Early in the spring several communities reported cases of severe nausea, usually of 24 hours duration and in some sections of the State the number of people affected constituted a large

proportion of the population. Investigation of cases reported here resulted, through the co-operation of the local water company and the State Engineering Department of Public Health, in the temporary closing of one the smaller water supplies, after which no further cases were reported.

An increased number of rabies cases were reported throughout the State last year. Locally, last summer a dog whose owner was unknown bit five persons. Subsequent laboratory examination of the dog's head revealed positive symptoms of rabies, resulting in the administering of the Pasteur treatment to the persons exposed. Fortunately no serious after effects were noted.

Maintenance of James Brook was reduced to a minimum last year, the work performed being in the main the result of complaints. Curtailment of the usual work was due to a proposed Public Works Administration Project for the purpose of widening, grading and diverting that part of the Brook from Smith Street to Brook Street.

At the present writing work on this project is in the process of completion. Consensus of the Committee in charge of the work, the Contractor, State and local Engineers is that the drainage of the brook will be improved to the extent that seasonal floods at Ripley Road and the railroad area will be eliminated in the future.

Considerable labor was required to remove the fungus growth on Straits Pond and Cat Dam, the excess growth being due perhaps to the exceptionally dry sea-

son. Both gates at West Corner, controlling the flow of water in Straits Pond were considerably damaged by ice and storms, the expense for repairs being shared by Hull and Cohasset. Also the outer gate at Cat Dam was damaged beyond repair and should be replaced.

Twenty-three milk licenses have been issued. Frequent tests of milk sold and delivered in Cohasset have been made together with periodic inspections of dairies and farms.

The Superintendent of the Town Dump reported that a total of 2,239 loads had been received last year together with seventy-six old cars.

Eleven licenses for the sale of Methyl, Wood and Denatured Alcohol have been issued.

The Well Baby Clinic held on the first Tuesday of each month, under the supervision of the Social Service League, is still in operation. The Clinic is conducted at the Legion Hall instead of the Ripley Road School as formerly, this due to lack of space at the latter place. That the Clinic fills a much needed want in the Community is attested by the fact that 23 children constituted the average monthly attendance during the past four months.

That the School Dental Clinic is of great value to the School children of the Town, is evidenced by the following report:

Total number of fillings	792
Total number of extractions	287
Total number of cleanings	353

Total number of patients 585
Total number of operations 1,432

Examinations of the children of the Ripley Road School are made in September and the Osgood School during the month of April.

All children were examined last year, those needing treatment being graded so that the most urgent cases could be taken care of first.

Respectfully submitted,

NATHANIEL M. HURWITZ, *Chairman,*
ABRAHAM S. ENOS, *Secretary,*
ABRAHAM J. ANTOINE, JR.,

Board of Health.

REPORT OF THE COHASSET FIRE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen: As Chief of the Fire Department I submit the following report. During the past year the department responded to 43 calls: 25 bell alarms, 17 silent or telephone calls and 1 out-of-town call.

The following are the different kinds of calls:

House fires	2	Dog rescued in pond	1
Chimney fires	11	Child rescued in bathroom	1
False alarms	4	Rubbish piles	1
Oil burners	4	Electric stoves	1
Automobiles	4	Blacksmith shop	1
Brush and grass fires	6	Fire in radio	1
Oil heater explosion	1	Diners	1
Upholstery shop	1	Oil mops	1
Stores	2		
Out of town calls	1		

Engine No. 1 responded to 27 alarms, Engine No. 2 responded to 6 alarms, Engine No. 3 responded to 12 alarms and calls, Ladder No. 1 responded to 27 alarms and calls, Chevrolet Forest truck responded to 38 alarms and calls and Ford Forest truck responded to 7 alarms. Scituate automatically responds to boxes covering our most serious fire hazards in the Town and answered 7 alarms.

Hull was called on for help February 9 for the fire

in Sparrell's upholstery shop and responded in very quick time, for which we were very grateful.

The department used 8,450 feet of hose, 850 feet of ladders, 13 Carbon Tetrachloride bombs, 35 pounds of Fyre Freez and 2½ gallons of Foamite.

The assessed value of houses, buildings, automobiles, etc., was $177,450.00. Loss paid by insurance, $7,932.00.

With the exception of some needed hose the equipment is in first class condition.

The trucks are in first class condition, but 2 new tires on each of the pumps should be replaced as soon as funds are available.

The merchants of the town are earnestly requested to remove boxes, papers and rubbish more often, as it creates a very serious fire hazard, especially in the centre of the town.

I want to thank the Honorable Board of Selectmen for their deep interest in the department; to Chief Pelletier and his officers in his department for their co-operation and assistance; to all others who have volunteered their services, and *especially* to those who assisted us at the Sparrell fire February 9 at 5 o'clock in the morning with the thermometer at 17 degrees below zero, for their help was very much needed to control the fire. I want also to thank the officers and members of the Fire Department for the efficient and able manner in which they have performed their duty.

Respectfully submitted,

FRANK F. MARTIN, JR.,

Chief.

REPORT OF THE FOREST WARDEN

To the Honorable Board of Selectmen:

Gentlemen: My report as Forest Warden is as follows: The wood and grass fires the past year were at a minimum. Although the early fall was very dry and dangerous we were fortunate in not having any wood fires although a few were started but were discovered and put out before any serious damage resulted.

A Fire Patrol is maintained Saturdays, Sundays and holidays and is carried through the year whenever conditions are dry. I want to thank the citizens for their help and co-operation in eliminating fire hazards in the Town. A permit is required by law for a fire in an incinerator unless the same is approved by the Forest Warden. A permit is also required for a fire in the open air at all times in the year except when snow is on the ground or it is raining.

Respectfully submitted,

FRANK F. MARTIN, JR.,

Forest Warden.

REPORT OF THE WIRE INSPECTOR AND SUPERINTENDENT OF THE FIRE ALARM

To the Honorable Board of Selectmen, the Chief of the Fire Department, Finance Committee, and the Citizens of Cohasset:

Gentlemen: I take great pleasure in submitting my report as Superintendent of the Fire Alarm and Wire Inspector.

During the past year the usual careful inspection has been made of all electrical work done in the Town. The Electric Light and Power Company replaced 35 new poles and fixtures and set 21 new poles on new extensions. Because of this work the Fire Department had to change their wires and fixtures to the new poles.

We have improved the Fire Alarm system again this year, installing new boxes on Pond Street and Smith Street, and we also replaced one new box on Atlantic Avenue. We have installed a new charging system at the Central Fire Station that eliminates a condition that was very costly to the Town. We also repaired a cable going into the new school which has been burnt out for more than a year. That work was done under my supervision with a great saving to the Town.

I wish to notify the citizens of the Town of Cohasset

that any electrical work being done in their homes, should be inspected before they pay for the work.

In closing I wish to express my appreciation to the Board of Selectmen, the Chief of the Fire Department, the Electric Light and Power Company, and Electrical Contractors for their co-operation.

Respectfully submitted,

HERBERT WILLIAMS,

Wire Inspector and Superintendent of Fire Alarm.

REPORT OF THE COHASSET POLICE DEPARTMENT

To the Honorable Board of Selectmen.

Gentlemen: I herewith submit my report for the Police Department of the Town of Cohasset, for the year ending December 31, 1934.

Official Roster of the Department

Chief of Police, Hector J. Pelletier

Sergeant, Frank Jason

Summary of Work Done by Department

Accidents investigated, 79.
Buildings found open and locked by police or owner, 27.
Calls for Inhalator, 12.
Cars stopped for automobile violations and warned, 90.
Cars stopped for licenses and registrations, 450.
Cars tagged for improper parking, 46.
Complaints investigated, 1654.
Cruelty to animal cases investigated, 3.
Defects in streets reported, 8.
Dogs killed or cared for, 30.
Duty calls from boxes, 4,504.
Fire alarms answered, 24.
Fire alarm given, 1.
Horse killed (request of owner), 1.
Insane taken to hospital, 4.
Inquest, 1.
Licenses suspended on recommendation, 37.
Mileage of ambulance, 1409.
Mileage of car, 33,976.
Mileage of motor cycles, 3,612.

Motorist assisted, 38.
Person found dead, 1.
Persons transported in ambulance, 59.
Property found and returned to owner, valued at $85.15.
Radio messages sent by this station, 3,612.
Special attention requested by owners of unoccupied houses, 20.
Stolen property recovered by department, $560.00.
Street lights reported out, 62.
Suicide, 1.
Summer homes inspected weekly (winter months), 137.
Summonses served for other departments, 63.
Total fines, $890.00.

Crime

During the past year this department was called upon to do very important police work, as some of the crimes committed or about to be committed were of the most serious nature. Due to the splendid co-operation received from our citizens some intended crimes were prevented and much assistance was received from them in solving other serious crimes and the offenders were apprehended. A decrease in the number of persons arrested for operating under the influence of liquor has taken place since the repeal of prohibition. Three summer homes were broken into during the past year and most of the property stolen has been recovered. If any citizens see any person acting suspiciously near any home I earnestly request that they notify this department at once. With the radio it is now possible to dispatch our automobile cruiser to any part of Cohasset within twenty seconds. Since the repeal of prohibition the work of this department has increased markedly.

We have inspected the licensed dealers frequently and in so doing we have prevented persons that could not afford to purchase liquor from purchasing it in Cohasset. All Hackneys and Hackney operators were licensed during the past year. Forms were printed and badges were issued to them. This was done as a result of the vote taken at the last Town meeting. Because of the loss sustained by the lobstermen in our harbor during the past years I am requesting all lobstermen to meet at this station so that plans may be promulgated in the prevention of this offense and apprehend the persons responsible for the unjust crime of stealing from a person who cannot protect his property at all times.

Traffic

During the past year the department handled more traffic than in past years. It is pleasing to report that no child was injured by an automobile and no fatal accident occurred during the past twelve months. This is due largely to the splendid co-operation of the parents and school teachers. I do hope we may continue with such a splendid record. During the past year we adopted the system of warning the motorists if the offense was not too serious requesting them to be more careful, thus eliminating a court record for many motorists who do not make it a habit of driving recklessly thus endangering the lives of our citizens. Two new sets of traffic lights were installed on the State road and the lighting arrangement changed so that all danger points are now well lighted. The above being accomplished by the untiring efforts of the Selectmen and the Town Counsel.

Ambulance

On May fifteenth last as a result of a vote of the Town meeting a new Studebaker ambulance was delivered to this department, after a careful study of all ambulances by the Selectmen. It is my belief that the ambulance is one of the most important pieces of equipment in the department. It is interesting to note in this report that fifty-nine trips were made and that this ambulance traveled fourteen hundred miles since May 15th, 1934. To the Cohasset hospital I wish to express my appreciation for the assistance they have rendered us in keeping the ambulance furnished with clean bedding. After each trip the bedding is changed at the hospital. Also I desire to thank the Board of Health for furnishing the ambulance with the necessary first aid equipment. No charge has been made to our citizens for the use of this ambulance.

Radio

As a result of the keen interest certain citizens of the Town have in our department, we were able with no cost to the town to have installed a radio transmitter which went into operation on April 15th, 1934. I desire to thank publicly Mr. William B. Gagnebin and all other citizens who so kindly co-operated and financially contributed in this important step in police work. It is interesting to note that Cohasset is the only town in the country of its size with a radio transmitter. Of course this would be prohibitive if this equipment had to be purchased through taxation. The cost of operation is about seven or eight cents per day. The Towns of Scituate, Hull, Hingham, and Weymouth are being serv-

iced by this radio, so that if a crime happens in any one of these communities we are able to dispatch 15 cars in twenty seconds to cover all roads that might be used by the criminal in making his escape. The Fire departments of Cohasset and Hull also use this transmitter. The four above Towns have agreed to pay the Town of Cohasset the sum of $300.00 each for radio service. I recommend that this money be used to pay for teletype and for the services of a radio and teletype operator for the summer months so that the officers of this department will not be confined to this work during these months. 3,612 messages were sent from this station from April 15th to December 31st, 1934.

Teletype

The teletype is connected with 34 cities and towns in this Commonwealth and also the State Police all over Massachusetts. We are able to send messages to New York, Pennsylvania, Connecticut, Rhode Island and New Jersey through the State Police. We have sent messages for our citizens to some of the above States. These messages being of great importance. Several important arrests were made as a result of being connected with this system. I wish to thank the Finance Committee who made the teletype possible after the radio was installed.

Firearms

During the past year Mr. Charles Haven was appointed instructor without pay in firearms for this department. Twice a week men of this department were ordered to attend a class in the basement of the new

school hall. As a result of this nearly every man has qualified and obtained a sharpshooter or marksman medal from the New England Police Revolver League. I wish to thank Mr. Charles Haven for the time and interest he has given to this department.

Recommendation

In our desire to keep up the splendid record on safety, I recommend the transfer of the traffic lights at South Main and Summer streets to the Ripley road school. This transfer would greatly assist young children to understand traffic rules at an early age.

I further recommend to our citizens that they do not hesitate in calling upon this department no matter how trivial the matter may be. They may rest assured that their complaints will be treated confidentially and with the utmost courtesy.

Conclusion

To our Honorable Board of Selectmen and to all the people of Cohasset I desire to express my appreciation for the splendid co-operation given me in the past year.

Respectfully submitted,

HECTOR J. PELLETIER,

Chief of Police.

REPORT OF THE HIGHWAY SURVEYOR

To the Citizens of Cohasset:

I herewith submit to you a brief report for ten months as Highway Surveyor.

Early in the year the streets were thoroughly patched, tarred, sanded, the sides cut back, swept, and dead leaves removed. Patching was done again as soon as holes were discovered. The frequent installation of gas and water pipes made much of this work necessary. The companies fill in their trenches after the pipes are installed but later these cave in and leave large indentations across the street.

Catch basins were cleaned out many times during the year, the old ones repaired and six new ones built.

The fences were repaired, painted, and in some places replaced by new ones. This work whenever possible was done by carpenters and painters.

A large part of Elm Street, approximately 4,400 sq. yards, was ripped up and completely rebuilt, the penetration system being used. The sides of the street were graded with loam and seeded with grass seed. Sidney Park was also graded and seeded.

A part of Cushing Road, all of Short Street, and a part of Beechwood Street, were ripped up and rebuilt. Large boulders were removed from under the surface

of the streets. All this work was taken care of from the general appropriation.

A sidewalk of asphalt-concrete was built on Elm Street starting from the building owned by Mr. Geo. Salvador to the other end of Brook Street joining the same type of sidewalk on South Main Street and from the Monteiro Tailoring Shop to the steps of St. Stephen's Church.

Another piece of sidewalk of asphalt-concrete, with cement curbing, was built on Summer Street and two pieces were built on Beechwood Street. In both places on Beechwood Street the old walls and fences were replaced by new ones.

On Atlantic Avenue near the residence of Mr. French cement posts with a steel cable fence were put in. A privet hedge was dug up and replanted two feet back of the town line. This dangerous corner was widened about twelve feet and a part of the road resurfaced.

Curb stone was put in at the corner of Oak Street and Cushing Road. Two pieces of sidewalk were built on the Common under the direction of the Selectmen.

The painting on the streets was also done by this department under the direction of the Police Department. All this work was paid for by special appropriations and the expense did not exceed the amounts specified.

The roads were plowed out and snow removed from in front of the business places as quickly as possible after

each storm. The roads were sanded during the day or night, as soon as they became slippery and dangerous for driving. Most of the sand used was screened by the men at the town pit instead of buying the screened sand.

The new 3½ ton truck has proved a useful addition to this department and it has been used by the other town departments. The small truck was used to carry the men, tools, paint, lanterns, etc. It is hoped that in the near future the highway department will have a permanent building with locks to store and keep the equipment.

In closing I wish to thank the Police Department for its helpfulness, the other town officials and the voters of Cohasset for their expressions of appreciation of my services.

Respectfully submitted,

GEORGE JASON,

Highway Surveyor.

REPORT OF THE DIRECTORS OF THE PAUL PRATT MEMORIAL LIBRARY

The Directors present herewith their annual report for the year ending December 31, 1934.

It is interesting and a great satisfaction to the Directors to note that during the past year we have had the largest circulation of books ever recorded. There has been an increased interest in our Library and a greater demand for books of all kinds during this period of uncertainty than ever before.

Miss Annie N. Keene resigned her position as Librarian on May first, 1934 and the Directors wish to express their appreciation for her many years of faithful service and co-operation. Miss Charlotte S. Tower, who was at that time the Assistant Librarian, was elected to fill the vacancy caused by the resignation of Miss Keene. Miss Margaret Rathbone, a graduate of Simmons College Library School was appointed assistant to Miss Tower.

In the death of George W. Collier, Chairman of the Board of Directors, the Library and the community suffered a grievous loss. For twenty-five years Mr. Collier served faithfully and efficiently as a Director and the Board hereby expresses its deep appreciation of his generous public spirited service and records its deep regret at the passing of a true friend and citizen.

In July 1934 Dr. Frederick Hinchliffe was elected to the Board of Directors to fill the vacancy caused by the death of Mr. Collier.

The reports of the Treasurer of the Board and the Librarian, showing all details of expense and operation are subjoined.

Cohasset, January 15, 1935.

REPORT OF THE LIBRARIAN OF THE PAUL PRATT MEMORIAL LIBRARY FOR THE YEAR 1934

This, the first report which it is my pleasure to submit to your Board, becomes the fifty-sixth annual report submitted by the Librarian to the Library Board. These reports, though similar, yet are interesting because of that which has been accomplished through the years; because of the increasing number of volumes and because, through statistics in regard to circulation, the value and service of the library to the people of the town is shown by the greater number of books borrowed.

The past year has brought a change in the library staff, for Miss Annie N. Keene, who entered upon the duties of Assistant Librarian in 1911 and who, later in 1928 became Librarian, resigned her position on May 1st, when her Assistant was advanced to the higher position and Miss Margaret Rathbone, a graduate of Simmons College Library School, was appointed Assistant. The four years' association with Miss Keene were pleasant and enjoyable ones, and now with the coming of Miss Rathbone, another friendly contact has been made. With her willing and efficient help the work of the library continues.

The past year shows the largest circulation of books ever recorded, 39,488; of which 33,953 were borrowed from the Main Library and 5,535 from the Beechwood Branch Library.

In order to have a more active registration list, it has been revised; many having the higher numbers were given lower ones, thus filling in gaps made by earlier withdrawals of which there are always more or less. During the year there have been 235 new registrations and 9 re-registrations, making the number of borrowers on December 31st 1,457, of whom 199 are served principally at the Beechwood Branch Library.

The charging system at that library has been changed so that it now corresponds with the system at the Main Library.

The past year it has seemed advisable to take account of stock and the books at both the Main and Branch libraries have been thoroughly checked with the shelf list, from which an actual count of books has been made. There have been added this year 1,039 volumes (842 by purchase, including 80 replacements) and 197 by gift; some of these were given especially to the Beechwood Branch. An unusual number of books have been withdrawn for one reason or another, including 412 bound magazines which were sold to a magazine dealer. The volumes in the library on December 31, 1934 are shown to be 20,125, which number includes 1,340 permanent volumes at the Beechwood Branch. Of these 12,076 are non-fiction; 4,966 fiction; 3,083 juvenile.

With the exception of Sundays and holidays and two days in February when severe snowstorms made it unadvisable to open, the library has been open every day, 301 days.

Meetings of the Old Colony Library Club, the Massachusetts Library Club and the Children's Librarians' Round Table have been attended by the librarians.

Reading from the state reading lists continues and several children from the fourth, fifth, sixth and seventh grades are borrowing for this purpose. Miss Keene issued several certificates in the spring and some have been given out in December, with an encouraging outlook for the new year. The assistance and co-operation of the teachers in this work is very much appreciated.

Through the kindness of Mr. Meyer, there are being made for the library a book case and easels for bulletin boards. These articles will have a special value because of having been made by pupils of the Manual Training class, and to them and to Mr. Meyer sincere thanks are expressed.

In January, at the time of the drive for books made by the American Merchant Marine Library Association, thanks to the contributions of interested friends, a small but worthwhile collection of books was sent to them.

During the year there have been story hours for the children of the grades,—two in the early part of the year, when Mrs. Sheldon N. Ripley entertained them, and from the latter part of October until Christmas, nine in charge of the librarians. In addition to the stories read, some of the children occasionally contributed a recitation or song. On the Saturday before Christmas the holiday was celebrated in a small way. A word of greeting to the children by the Chairman of Directors was followed by the presentation of a puppet show by Miss Margaret Sylvester, reading of stories and poems, and the distribution of candy bags given by Miss Mary P. Tower, and book marks. The children's singing of carols gave a fitting close to a pleasant hour. The aver-

age attendance was 21; the smallest being only 4 and the oldest 41.

A radio was taken to the library for the purpose of listening in to a story told by Mr. Cronin, a prince of story-tellers, the broadcasting of which was sponsored by the Charles River Library Group, on December 10th, and the few children who responded to the invitation to hear it were pleased.

By proclamation of the Governor, the week of October 21-27 was observed as Library Week throughout the state. In accordance with a suggestion made for libraries at this time to begin publishing weekly until May a series of articles dealing with some phase of library work or its place in the community, arrangements were made, through the courtesy of the South Shore Life for such a series. Appreciation of their co-operation is here expressed to those who have written and are writing the articles and to the management of the local paper.

The sixteenth annual Book Week was observed November 11-18. Hobbies was the special subject chosen for this week, and while books upon various hobbies were to be found at the library, those on travel were given the more prominent place in both the adult and children's rooms. Travel posters and booklets were displayed and attractive posters and unique cut-outs made from the jackets of the children's books by Mrs. Jerome F. Wadsworth drew attention to the new books. The generous gifts of flowers from the three florists, Mr. Daun, Mr. Millar and Mr. Sestito added much to the brightness and cheer of the rooms.

There is here acknowledged, with grateful thanks,

the gift of one hundred dollars from the once-active Cohasset Literary Club, to go towards the purchase of the latest edition of Encyclopaedia Britannica; also, gifts of books from Rev. Cornelius O'Leary; Dr. Oliver H. Howe; Mr. Richard W. Hale; Mrs. George R. Howe; Mrs. Josiah Wheelwright; Dr. Herbert J. Spinden and Mrs. Spinden; Mr. Edward B. Gammons; Mrs. William DeF. Bigelow; Mrs. Ernest S. Hill; Rev. Milo H. Gates; Mrs. Charles H. Jones; Miss Annie N. Keene; Mrs. Carl T. Keller; Mr. J. Edward Grinfield-Coxwell; the Misses Nichols; Miss Ruth Sears; and in the name of the Cohasset Garden Club, from Mrs. C. Griggs Plant, Mrs. B. Preston Clark and Mrs. W. L. Underwood.

The willing help of the janitor and others who have generously given of their time, their talent and their profession, and the friendly greetings have made this a very pleasant year.

To you, gentlemen, for your constant co-operation and interest, the staff extends sincere appreciation.

CHARLOTTE S. TOWER,

Librarian.

REPORT OF HARBOR MASTER

To the Hon. Board of Selectmen:

Gentlemen: The Harbor Master begs to submit this annual report:

It will be necessary to have an increase in appropriation either for a new float or to make extensive repairs on the old one. If possible I would suggest a new passenger float and commercial runway. The present float and runway being very much worn.

We had many large boats in our harbor this past summer and it necessitated careful planning to accommodate these boats at one time in such a small harbor.

Thanking the Fishermen and Yachtsmen for their co-operation and support.

Respectfully,

JOSEPH J. GRASSIE,

Harbor Master.

Kathleen McMahon, kindergarten	Perry Normal	1915

REPORT OF SCHOOL COMMITTEE

We submit our report of the schools, for the year 1934, including the reports of the Superintendent, Principals and Supervisors.

Mr. James Doyle was appointed Superintendent of schools and Principal of the Osgood School and began his duties August 1, 1934. We feel very much satisfied with this arrangement as it gives us a full time Superintendent who is in direct contact with the schools every day. On account of this change we added one teacher to the Osgood School staff.

New Teachers

Your committee adopted the following Rule:

No teacher will be hired who has not had one year's teaching experience, and she must be a graduate of Normal School or College. This is in line with recommendations of the State Board.

Realizing that under this rule local applicants could not be elected we have adopted the so-called Cadet Teacher Plan. Under this plan we intend, if the applicant has good records, from College or Normal School, to place one in each school for a year to give them their experience. If after one year a vacancy occurs and if in the judgment of the Superintendent and committee they are fitted, they will be elected to fill the vacancy.

Transportation

Under the Law, we are compelled to transport any

pupil living two miles or more from school. We are transporting those who live one mile from school.

We found it necessary to replace the bus owned by the town with a new bus which is a Ford 1935 chassis with a Wayne all-steel body.

Osgood School

All exterior wood and metal work was painted.

New boilers were installed under the supervision of R. D. Kimball Co., Heating Engineers.

Fire escapes were repaired so that they meet State requirements.

Ripley Road School

No repairs were needed.

A woven wire fence was erected along the Sohier Street line.

Beechwood School Building

Under the advice of the Town Counsel, school sessions were held in this building in June. This was done to protect the Town's interests in the land.

School Nurse

We felt that the school department needed a full time nurse, and have appointed Miss Fannie James at a salary of $600.00 per year.

We wish at this time to extend to the staff of the schools our thanks for their splendid work and co-operation.

COHASSET SCHOOL COMMITTEE.

REPORT OF SUPERINTENDENT AND PRINCIPAL

To the School Committee and Citizens of Cohasset:

The School population of the town shows a decrease for the year 1934. The number of pupils in the Cohasset schools on October 1, 1933 was 625 as against 587 on October 1, 1934. This loss occurs in the lower grades and is so spread out that it does not permit of any reduction in the teaching staff however.

The High School has at present the largest number ever to attend, one hundred and fifty pupils.

Teachers

Miss Sarah Fox retired in June, 1934, after serving the Town of Cohasset since 1883. Mr. Orvis K. Collins in behalf of the townspeople presented her with a diploma, a symbol of their appreciation.

Mr. Otis Jason was transferred from the Ripley Road School in September to the Osgood School and Miss Verda Dunn and Miss Geraldine Theissen were added to the Ripley Road School staff to fill the abovementioned vacancies.

In accord with the requirements of the State laws, an ungraded class was formed in February and Miss Mary Hillis was employed as the instructor.

Mr. O. K. Collins after serving as Superintendent

of the Cohasset Schools for fourteen years is now giving all his time to Hingham. Teachers and pupils alike will remember with pleasure their happy association with Mr. Collins.

I believe that our schools today are excellently staffed. We intend to keep them so.

Improvements

By exercising a certain amount of caution in general outlay it was possible during the year to accomplish a number of desirable improvements within the amount appropriated for schools.

The fire-escapes have been put in a condition which makes them stronger than on the day they were originally erected. A protective fence has been placed on the Sohier Street side of the Ripley Road grounds and two new Weil-McLain heaters equipped with a condensation pump have been installed in the Osgood School building. A new school bus was also purchased out of 1934 funds to replace the eleven year old Studebaker which had reached the age of retirement.

The new bus has a 1935 Ford chassis, double wheels in rear and a Wayne all-steel body, gas-proof floor and safety glass throughout.

The school has also purchased a mimeograph with scope which will enable the pupils to publish at low cost a brief "History of Cohasset" which has been prepared by the tenth grade under the direction of Miss Parker, and perhaps later in the year, an "Annual."

Safety grills have also been placed over the steam pipes in the dressing rooms of the lower grades.

Program of Studies

In September two courses in European History and one in Economics were restored to the curriculum. This gives us a very well rounded group of social studies (see chart). The course in Biology has been made a six period a week course, four periods in recitation and two in laboratory, and meets the entrance requirements of all colleges.

Scholarship

Miss Lois Meyer was the recipient of the 1934 scholarship of $75. She has entered Simmons College. Our Cohasset pupils who have entered college have in general taken an advanced place in scholarship standing.

Both boys who matriculated at M. I. T. in 1933 were on the "Dean's List" of students of high standing.

General

The usual and more or less fixed social activities of the High School were engaged in. Junior and Senior Class dances were held and the Senior Class presented very successfully the play by Noel Coward, "I'll Leave It To You."

Activities requiring financial support from the public are being held to the minimum as it is not in keeping with the school policy to have the citizens harried too frequently by pupils in the role of ticket sellers.

During the spring three teams of boys engaged in baseball and in the fall a squad of 22 of the younger boys played a very successful short season of football.

I wish to thank the School Committee and all those connected with the functioning of our school system for their generous aid and co-operation.

Respectfully submitted,

JAMES W. DOYLE

REPORT OF PRINCIPAL OF THE RIPLEY ROAD SCHOOL

Mr. James W. Doyle,
Superintendent of Schools

Dear Sir: Every year more than ninety percent of our children are promoted. The largest number of failures are always in the first and second grades. We believe that this is as it should be as the fundamentals acquired in these grades are too important to be indifferently mastered. We promote almost entirely, in the first and second grades, upon what the child has accomplished in reading. Many children accomplish very little for various reasons. One of the principal reasons is immaturity. A child may be six years old but still be too immature to form the habits necessary to acquire a satisfactory ability in reading. An immature child cannot concentrate and he may be seven or older before he starts to read. Faulty vision, language difficulties, speech defects, poor eye co-ordination and the external factors of irregular attendance and poor health are other reasons which retard a lower grade pupil. Teachers are conscious of these difficulties and as much individual instruction as possible is given the disabled readers.

Our special class has been very successful. Children who previously were making no progress in the regular classroom, where the work was beyond their ability, are now busy and happy in a room where the teacher gets away from the formalities of the classroom methods and where the work is suited to the child. The children have assumed a certain amount of initiative,

where there was none before and some who were sullen and stubborn in a regular classroom are now agreeable and contented.

Our attendance is good but it could be better. Sickness is the only acceptable excuse for an absence. We have some difficulty with tardiness. In most cases it does not seem to be the children's fault as almost all of our tardy pupils are brought to school by parents. It means a great deal to us to have all children in their seats when school opens and a little more effort in the home would make this possible.

The atmosphere of co-operation and mutual respect which prevails in our schools keep our standards high. We are all doing our best for the children of Cohasset.

Respectfully submitted,

HELEN L. BROWN

REPORT OF SUPERVISOR OF ART

Mr. James W. Doyle,

Superintendent of Schools

Dear Sir: Examples of the work accomplished in the Art Department of the Cohasset schools were presented in two public exhibits, one held in the Ripley Road School in May showing work from the first six grades, and another exhibit at the Osgood School in June, in which work from the seventh and eighth grades and the High School was presented.

In the comparatively short amount of time which a pupil can devote to this subject we are striving to give him the lasting benefits which result from a study of art in its various phases, a creative and cultural experience which gives him a sense of appreciation according to his ability to absorb these benefits.

Work in design teaches the principles of order, with opportunities for individual expression in shape and color. Representation develops a co-ordination between eye and hand which is necessary in many occupations and valuable to every person. Through a study of and appreciation for the art of the past, the history of civilization is better understood and the student is more able to make wise choices and decisions concerning the products of the modern industrial and art worlds.

The repeated choice and use of that which is most desirable and most beautiful through the years of public

school life will result in a gradually improved taste which will manifest itself in improved taste, personal appearance, home conditions, and in the art quality of articles produced and purchased for daily use.

In our endeavor to accomplish worthy aims, we do problems in design, representation, color, costume, home decoration including a brief course in period furniture, lettering, posters, the use of water color, charcoal, pastelles, and other mediums, picture study, historic ornament and art history, domestic and other architecture, crafts, block printing and mechanical drawing. With the exception possibly of a very few children, this is to all a joyous experience.

The following is an able expression of the whole subject: "The study of art promotes graphic expression and skill, critical observation, descriminating taste, enjoyment and understanding of color, creation and appreciation of beauty, worthy use of leisure, respect for organization."

Respectfully submitted,

FLORENCE E. KRAUS

January, 1935.

REPORT OF SUPERVISOR OF MANUAL TRAINING

Mr. James W. Doyle,

Superintendent of Schools

Dear Sir: In accordance with your request I submit to you herewith my report of the Industrial Arts Department for the year 1934.

Woodworking and Printing are the two subjects offered to the students in our shop work. The woodwork includes wood turning on the power lathe, wood finishing, and some elementary electric wiring. Printing provides practice in the choice of and the setting of type, in proper arrangement, in proof-reading, and in press work. These two subjects were chosen because they are representative of two main branches of industry. Woodwork represents the creative occupations, whereas Printing is largely a matter of practical and artistic assembling.

A very interesting and important survey has recently been made in regard to the value of Industrial Arts subjects in the public schools. While this survey was made in the state of Kansas, the results of a like survey, if made in Massachusetts, would very probably be about the same.

A few of the findings are here presented:

"Of 187 men, 150 reported that industrial arts train-

ing in the public school had contributed something of practical value in their present vocation. Several attorneys stated that the technical and industrial terms with which they had become familiar had been in many cases of great value to them. Officials and business men reported that experience in the school shop had contributed in a better understanding of the problems of the working man. A bank official said that habits of accuracy, thoroughness, and responsibility as developed in the industrial arts training were an important asset in his vocation. 149 men stated that they found much personal satisfaction from their industrial arts instruction in the form of recreation, emphasizing the value of the home shop as a diversion from business cares. Of the 124 college men, 40 per cent were stimulated to study beyond High School by their interest in academic subjects, while 65 per cent were thus stimulated by industrial arts subjects."

It is generally understood that Industrial Arts subjects reach and develop certain important mental faculties, and that they bridge the gap between cultural education and the practical affairs of life like no other subject can do. Those who have received the broadest training for their life work, other things being equal, will always have the best chance of success. This will remain a fact, whatever may be the final result of the present national effort at adjustment as regards to production and distribution.

To the parents I want to make one suggestion: If they have not already provided their boys with a simple home work shop, I would strongly advise them to do so. A home work bench and a few tools are best for a start, to be added to only gradually. Almost every boy longs

to express himself in creative work. He may make things useful and even beautiful, but there will be other larger values, that he will gain unconsciously, that cannot be measured in terms of money. It may keep him contentedly working at home in spare time and vacations, instead of forming objectionable habits elsewhere. It will develop confidence in himself, initiative and the ability to plan and execute. Many parents have provided home shops, and many more could do so, and happily find that the small investment will pay large dividends in terms of character.

Respectfully submitted,

M. H. MEYER.

REPORT OF TEACHER OF DOMESTIC SCIENCE

Mr. James W. Doyle,

Superintendent of Schools

Dear Sir: I submit for your approval and acceptance a brief report of the Domestic Science Department for the year 1934.

Besides the actual teaching, the work of this department consists of the preparation and serving of the noon lunch; the larger part of this work is done by an assistant, one or two dishes are prepared by the girls in the cooking classes.

The aims of the cooking department stated briefly are, to teach the fundamental principles of cooking in theory and practice, efficiency and economy in handling food materials, the food requirements of the body and how they may best be supplied to develop strong and healthy individuals.

The aims of the sewing department are to instruct the girls in the making and use of the common stitches, the use and care of a sewing machine, the use of patterns and to instill in the girls an interest in the care, repair and making of their own clothes.

Knitting is a useful art and we have been pleased

at the interest shown by the High School girls in acquiring it.

They have made scarves, hats, sweaters, socks and many pairs of mittens, both for themselves and members of their families.

The attendance at the lunch room has been very good. The majority of the older pupils eat sensible lunches, soups, main dishes, sandwiches and milk being the most popular foods at the Osgood School.

In the spring an exhibition of cooking and sewing was held in conjunction with the Art and Industrial departments and we are always glad to welcome the parents and friends of the pupils.

In closing I wish to express my appreciation to you and the School Committee for your co-operation and helpful attitude toward my department.

Respectfully submitted,

HELEN C. WELCH.

REPORT OF SCHOOL PHYSICIAN

The past year has been quite free from epidemics and has shown a gratifying improvement in the general health and physical condition of our school children. Certain contagious skin affections need watchful care and it is our policy to exclude from school pupils with those affections. The co-operation of parents is particularly desirable in this matter, for in some instances, pupils have been sent back to school regardless of our rules.

With thanks for the co-operation of the Committee, Superintendent, teachers and the school nurse,

Respectfully submitted,

(signed) OLIVER H. HOWE, M.D.
